Program Overview

The **Douglas County Fair Foundation** in partnership with the Douglas County Fair Board and Douglas County 4-H proudly presents the L.E.G. Up Program. L.E.G. Up offers 4-H members an opportunity to have a market livestock project and raise an animal sponsored by a generous partner.

The **Douglas County Fair Board** supports L.E.G. Up participants by providing knowledgeable animal industry advisors and the opportunity to show and sell their program animals at the Douglas County Fair & Rodeo. Grant recipients **MAY** be selected to sell their market animal in the Jr. Livestock Sale. Eligibility will be determined by market class placings in each species at the Douglas County Fair according to competition rules and guidelines.

Douglas County 4-H provides structured educational programs that teach participants about the animal industry and how to raise and care for market animals. Participants will learn by doing, how to care for, raise, feed, and sell a market animal. Sponsors will be able to support youth and contribute to the community by providing an opportunity to increase their education, learn responsibility, and improve their citizenship. Grant recipients will be required to enroll in the Douglas County 4-H program.

L.E.G Up participants will help form a bond between all the members of 4-H and any given sponsor to continue the spirit of agriculture in Douglas County. The success of this program is the responsibility of the participant and their parents, sponsors, program advisers, the Douglas County Fair Foundation, the Douglas County Fair Board, Douglas County 4-H, and those interested in supporting agricultural education in Douglas County. FFA members are encouraged to apply and are required to be enrolled in a Douglas County 4-H club. *All prize money and junior livestock sale proceeds earned will belong to the grant recipient in good standing.
